Vangard
12" Round Guard LED Bulkhead Light

More Light.
Your Kind of Control.

Bring dependable illumination to outdoor and utility spaces. Choose your wattage and colour temperature, and let the built-in photocell handle dusk to dawn.

Voltage: 120-347V

Efficacy: Up to 124 lm/W

Lumens: Up to 4,860 lm

Selectable Wattage: 24W | 32W | 40W (40W Default)

Selectable CCT: 30/40/50K (5000K Default)

110° Beam Angle

L70 ~ 100,000 Hrs

80 CRI

Built for the Elements. Ready for Every Day.

Durable cast aluminum, a protective powder-coat finish and a polycarbonate lens bring lasting performance to outdoor and utility spaces.

IP65 | Built-In Photocell

Dust-tight and resistant to water jets, with a rubber seal that helps keep moisture out. Built to perform in temperatures from −40°C to 45°C.

Made to Endure

An L70 lifespan of approximately 100,000 hours, backed by a 10-year limited warranty for long-term peace of mind.

Set the Mood. Bring Every Space to Light.

From a warm, welcoming porch to a brightly lit utility room, choose the light that suits the setting. Three selectable colour temperatures let you tailor the atmosphere, while the bronze finish complements a range of architectural styles.

3000K	4000K	5000K

Choose Your Look

Keep the clean round profile or add an optional bronze eyelid or grid guard to complement your space.
