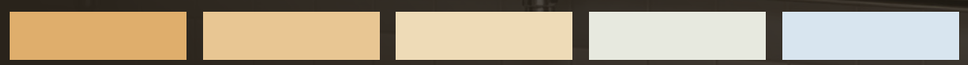
Clarity in Every Detail.

The Aurel Series delivers natural colour rendering with 80 CRI for enhanced visual clarity, while its high-efficiency polycarbonate lens ensures smooth, uniform light distribution and consistent illumination.

Your Space.
Your Tone.

Adapt lighting to your environment with five selectable colour temperatures, from warm 2700K to crisp 5000K. Create the ideal atmosphere, with 3000K as the factory default.



2700K **3000K** **3500K** **4000K** **5000K**

A Gentle Glow After Dark.

Experience a soft, soothing 2000K glow with Aurel’s integrated 5W nightlight. Simply toggle the wall switch off and on within three seconds to activate gentle nighttime illumination.

First ON: Main Light

Turn the wall switch ON to activate Aurel’s main illumination for bright, functional lighting.

OFF / ON: Night light

Turn the switch OFF and ON again to activate the soft 5W night light while the main light stays off.
