

Lucid Series

Ambient Bi-Directional Luminaries

Refined Light Inspired Spaces

The Lucid Bi-Directional Luminaire is an ultra-slim, contemporary luminaire designed for performance. It provides seamless, dot-free upward and downward illumination with a 50/50 direct-indirect distribution. Its translucent lens creates an elegant, diffused glow resembling natural daylight that brings warmth to any environment.

Even 50/50 up/down
distribution

Downlight Effect

Order#	Model Number	Size	Wattge	Voltage	Lumens	CCT	CRI	Finish
R33401	RENO-RBDP4-40W-DV-MCCT	1'x 4'	40W	120-347V	up to 5,368 lm	30/40/5000K	83	White

Continuous Run Row Mounting Option

Seamless Continuous lines.
Elevated Ambiance

Using R39421 (RENO-RBDP-CONNECTOR) – Connection Kit for row-mounting

Creating seamless continuous lines, our LED fixtures offer versatile lighting design possibilities for interior spaces, elevating the ambiance

Even Light Elevated Spaces

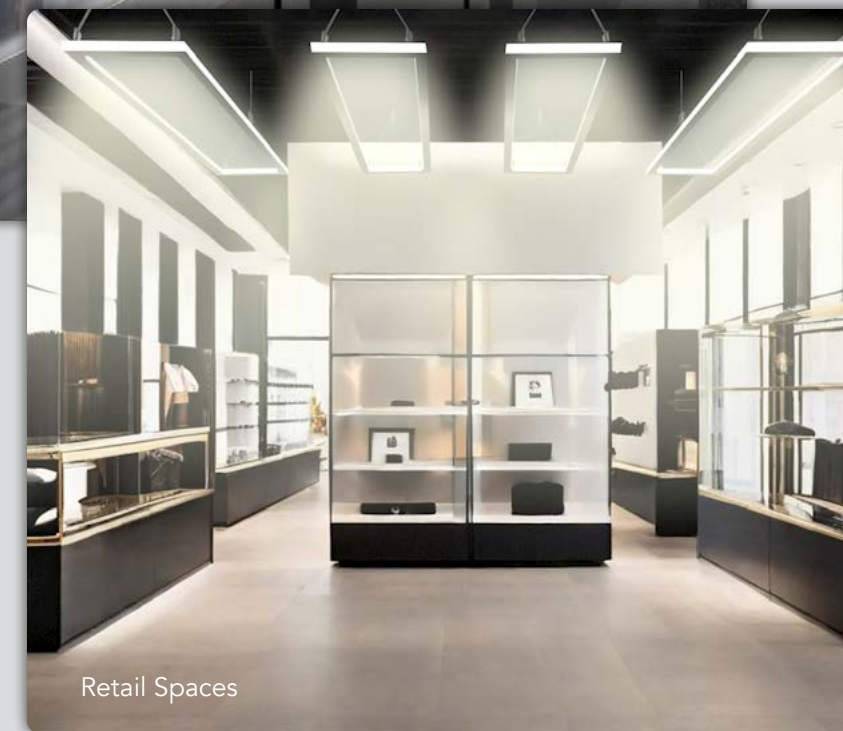

Bi-directional light distribution delivers a clean,
modern aesthetic with balanced illumination

Achieve a balanced glow that enhances the any space. Bi-directional lighting softens harsh edges, reduces ceiling glare, and adds depth to open interiors.

Soft Light. Bold Impact.

Designed for modern, design-forward interiors, the Lucid Bi-Directional Luminaire is more than lighting—it's a statement. Ideal for offices, retail, restaurants, and collaborative spaces, it elevates aesthetics while delivering high lumen output and visual comfort.
