ALL-IN-ONE PERFORMANCE LIGHTING

EMERGENCY Series

Wet Location Running Man Sign

Designed for wet locations, the IP65 rated Running Man Exit Sign features a tough, waterproof enclosure made from flame-retardant, thermoplastic material and a PC lens. The highly visible, LED-illuminated running man graphic and directional arrow provide clear egress guidance, even in low-visibility conditions. Ideal for outdoor spaces, parking garages, or industrial facilities, this exit sign combines reliability, energy efficiency, and rugged durability. Easy to install and built to meet strict safety standards, it's the ultimate solution for emergency preparedness in challenging conditions.

PRODUCT FEATURES

- IP65 Wet Location Rated and NEMA 4X Certified
- UL-94-V0 flame retardant, fire resistant
- Push Button Test Switch / Pilot LED for AC on and charge indicator
- Surge Protection - 1800V
