

ALL-IN-ONE PERFORMANCE LIGHTING

LUMA Series

Motion Sensor Disk Light

The Luma Series 4" Motion Sensor Disk Light is the perfect size light for closets and pantries. With an integrated LED chip board, you never have to replace light bulbs again. Energy efficient light lasts for 50,000 hours with little to no maintenance. With the PIR (Passive Infrared) sensor and LED light combination, this closet light helps save energy by automatically turning on when motion is detected, then turning off when motion ceases.
