RENO® LIGHTING

Vangard

Oval Guard LED Bulkhead Light

Your Space.
Your Kind of Light.

Dependable light for patios and utility spaces, with three selectable wattages, three colour temperatures and automatic dusk-to-dawn operation.

Voltage: 120-347V

Efficacy: Up to 106 lm/W

Lumens: Up to 2,104 lumens

Selectable Wattage: 12W | 16W | 20W (20W Default)

Selectable CCT: 30/40/50K (5000K Default)

130° Beam Angle

L70 ~ 100,000 Hrs

80 CRI

Built to Endure. Season After Season.

A rugged cast aluminum body, durable powder-coat finish and glass lens bring lasting performance to outdoor and utility spaces.

IP65 | Built-In Photocell

IP65 protection and a weatherproof seal keep dust and moisture out. A built-in photocell provides dusk-to-dawn operation in temperatures from −40°C to 45°C.

Built for the Long Run.

An L70 rated life of approximately 100,000 hours and a 10-year limited warranty bring confidence to every installation.

Set the Tone. Make the Space Your Own.

Create a warm welcome or a bright, practical workspace. Choose 3000K, 4000K or 5000K to suit the setting, with 0–10V dimming for added control over light levels.

3000K	4000K	5000K

Classic Shape.
The Finishing Touch.

A distinctive oval profile brings character to practical lighting. Choose bronze or white to complement your space, with mounting hardware included for straightforward wall installation.

Porches • Patios • Decks • Boathouses • Docks

Cabins • Basements • Storerooms • Attics • Industrial Spaces
