RENO LIGHTING

Aurel Series

LED Architectural Vanity Sconce
with **Ambient Nightlight**

Light for the way you live.

From the first morning routine to the last quiet moment, Aurel pairs clear main illumination with a dedicated warm nightlight in one compact architectural form.

Voltage	120V
Power	25W main / 5W nightlight
Colour rendering	90+ CRI
Beam angle	140°
Power factor	>0.9
Lumen	Up to 1,336 lm
Efficacy	Up to 53 lm/W

Designed for the everyday.

The Aurel Series delivers high-quality illumination with **90+ CRI** for accurate, natural colour rendering, enhancing visual clarity and bringing out true-to-life colours for daily routines.

Set the tone. Reveal the detail.

From warm 2700K to crisp 5000K, choose the main light that suits the space using the integrated switch. Factory setting: 3000K.

2700K **3000K** **3500K** **4000K** **5000K**

Effortless Nighttime Comfort

With a simple off-and-on cycle of your wall switch, activate Aurel’s energy-efficient 5W night light. Enjoy a soft, comforting glow throughout the night while using less electricity than the main light.

Main Light Mode

Turn the wall switch ON to activate Aurel’s main illumination for bright, functional lighting.

Nightlight Mode

Turn the switch OFF and ON again to activate the soft 5W night light while the main light stays off.

Night Light ON

Full Light ON

Two Finishes.
Versatile Installation.

Available in Matte Black and Brushed Nickel, the Aurel Series brings a modern touch to any interior. With flexible two-way mounting options for wall or junction box installation, Aurel complements a wide range of spaces and design preferences.

Designed for Moisture-Prone Spaces

Designed for damp locations, the Aurel Series delivers reliable performance in moisture-prone environments, making it ideal for bathrooms, vanity areas, and other interior spaces.
