Always On.™

At RENO, we're committed to being Always On.™

Always On
Innovation

Our very own R&D facility enables us to conceptualize and develop innovative lighting solutions that fit every project's needs.

Always On
Service

Our dedication to speed, attention to detail, and in-depth lighting knowledge is why customers love us.

Always On
Your Side

Our relationship does not end after the sale. We promise to always be on your side, long after you've installed our products.
